LANGUAGE COURSES FOR PRIMARY

Quotes and Photos

“The course was engaging, fun and very informative. It was paced very well and I’m really grateful of the resources – thank you! An excellent course that should be provided for more teachers!”

“I will be introducing German as a 3rd language with P6 and P7 next year. I feel confident to do so!”

I know and can pronounce a limited number of German words on a variety of themes.

I have acquired knowledge about the German language and can apply some rules, structures - and avoid some pitfalls.

I have acquired information about culture, traditions and customs.

I have learnt and tested a variety of games and methods to present, practice and organise language teaching in the classroom.

**I got to know a variety of
resources to support my
classroom practice.**

I am CONFIDENT to
