

SCILT Digital Internship Information Pack

The purpose of this internship is to raise the profile of language learning amongst 16-25 year olds through engagement on social media platforms and using other relevant technologies.

This post is open to applicants currently in 5th year going into 6th year for session 2018-19 **only**.

- This is a remote working internship. Please note this is an unpaid opportunity.
- Successful applicants **must** attend a training day in Glasgow on **Tuesday 12 June 2018**. Those who cannot attend this day will **not** be allowed to proceed onto the programme.
- Applications are considered on a competitive basis which means not all candidates who submit an application will be guaranteed an interview.
- Those applicants who are successful will be invited to interview over Skype. This is to ensure applicants are not deterred from applying should they live further away.
- Only complete applications will be considered.

Job Description

Work with a team of interns to:

- Create and publish relevant, original, high-quality online content that relates to languages and language learning, to be shared through SCILT's social media channels.
- Collaborate with other interns to generate ideas and content.
- Follow SCILT's social media guidelines for creating and posting content and engaging with followers.
- Report to SCILT every week with a weekly plan for social media content.
- Review the successes and failures of the past week, based on evidence, and use that to inform future posts. Training on gathering and assessing evidence will be provided.
- Monitor conversations across social media platforms. Engage in dialogue and answer questions where appropriate.
- Work and communicate in a professional manner with the Information Team at SCILT.
- Interns are expected to commit to two to four hours per week for one academic year (Aug – June).
